release jedis-2.6.1 be79ce7

## v2.6.1

 **xetorthio** released this 18 hours ago · **163 commits** to master since this release

- Fix deadlock in **JedisCluster**
- Huge performance optimizations
- Add support for **java 8**
- ASK Redirection don't update slot->node
- **JedisSentinelPool** now fails fast on initialize
- Bug fixes and general internal improvements

 Source code (zip) Source code (tar.gz) jedis-2.6.0 bc0fbf8

## v2.6.0

 **xetorthio** released this on 22 Sep · **163 commits** to master since this release

- Optimize CRC16 calculation (with optimisation of slot decision)
- Add support for cluster reset command
- Add timeout parameter to BLPOP/BRPOP
- Support Sorted Set with LEX commands
- Add Closeable to **JedisPool** (support for TryWithResources of **java 7**)
- Do **master** failover detection in **JedisSentinelPool**.getResource
- Add support for CLUSTER SLOTS command
- Lots of bugfixes

 [89ccd8d](#)

## v2.4.1

**xetorthio** released this on 18 Feb · **259 commits** to master since this release

This is a bugfix release and test fixes and test stability.

- Removed redundant call to `connectionPool.getResource()` in method `getConnectionFromSlot(int slot)` in class `JedisSlotBasedConnectionHandler`
- Sentinel unit tests are now reliable and repeatable. Also they work much much faster.
- Cluster tests are much faster, reliable and repeatable.
- Add travis-ci

 jedis-2.2.0

 2f26176

## v2.2.0

 **xetorthio** released this on 7 Sep 2013 · **414 commits** to master since this release

It's been a long time since the last release. But at least here it is! I hope you enjoy it and I also hope it won't be long before we get the next one. Thanks to the community, who helped so much! You are great!

Changelog:

- **Sentinel** support      Sentinel支持
- Fix [#438](#)
- Support new commands and new command options
- Support eval in pipeline
- And lots of other wonderful things!!!
